REQUEST FOR COUNCIL ACTION****Council Meeting Date: 10/27/2016
Agenda Item: 5B1**

ACTION: Approve an increase to the approved spending level of a contract with Dave Bang Associates, Inc. for the supply and installation of park furniture and fixtures at various City parks.

FISCAL IMPACT: Total spending on this contract will not exceed \$210,000 during the initial two-year contract period (ending October 18, 2017) and will increase the contract value from \$90,000 to \$210,000, an increase of \$120,000. Sufficient funds have been appropriated in the Park Improvement/Recreation Capital Improvement Project Fund cost centers 6305499 (Park Playground Replacement) and 6399829 (Infrastructure/Equipment Replacement) for the anticipated expenditures in the current fiscal year.

RECOMMENDATION: Approve the increase in the contract amount.

BACKGROUND INFORMATION: (T16-041) City Council approved a two-year contract award on April 21, 2016 to Dave Bang Associates in an amount not to exceed \$90,000. The contract provides for the supply and installation of picnic tables, park benches, trash receptacles, drinking fountains, and grills that will be used at various City parks.

Utilization of the contract is above the spending level estimated at the time of submission to City Council on April 21, 2016. The estimated spending level approved by City Council only accounted for the anticipated spending of one year and did not include the \$120,000 for second year of the initial two-year term.

The increased utilization of the contract requires review by Council to approve the additional \$120,000 associated with the contract use.
