Agenda Item: 5C10**

ACTION: Adopt a resolution authorizing the Mayor to execute a Funding Agreement between the Tempe Community Council and the City of Tempe memorializing the human services relationship functions between the parties. (Resolution No. R2014.98)

FISCAL IMPACT: The total cost of this Funding Agreement for the first year is \$819,698.11. If it is extended for a second year, as allowed under the agreement, the total cost for the two-year term is \$1,639,396.22. Sufficient funds have been appropriated in Tempe Community Council, cost center 3527 for the anticipated expenditures in the current fiscal year.

RECOMMENDATION: Adopt Resolution No. R2014.98.

BACKGROUND INFORMATION: The Tempe Community Council (“TCC”) is a 501(c)(3) nonprofit corporation, which has been committed to address the immediate and long-term human service needs in Tempe since its inception in 1972. Tempe has partnered with TCC since 1985, and has provided funding that allows the TCC to further its mission to provide human services in the City. This includes the TCC’s “agency review” process in which the TCC must establish relationships with nonprofit entities that address human service needs in the City, review applications for funding from these entities, and then make funding recommendations to the Tempe City Council.

TCC and Tempe have decided to enter into a written agreement that clearly memorializes the obligations of the two entities and the consideration received by Tempe in exchange for its financial and in-kind support.
