BARKING DOG PETITION

Date __________________

The following citizens are petitioning the City of Tempe to enforce the City’s Nuisance Code regarding barking dogs at the following location:

_____________________________________________________________________

Address of barking dogs

At least two (2) signatures of individuals in separate households with independent knowledge of the nuisance are required. A City of Tempe Code Compliance inspector will contact the petitioners to verify their signatures and concerns. The inspector will then contact the responsible party for the barking dog and request that they comply with the City’s Nuisance and Property Enhancement Code. If voluntary compliance is not achieved, further enforcement action may be taken, which may require mediation or a court appearance by one (1) of the petitioners and the dog owner. Logs with dates and times of barking are recommended.
