

South Tempe  
Water Treatment Plant  
Contract Overview

Project Number	Contract Number	Contract Date	Firm	Contract Type	Selection Method	Amount	Project Name	Status	Major Improvements
3200071	C2005-81E	10/20/2005	3D/International	Construction	JOC	\$388,758.00	STWTP 2005 Minor Modifications	Construction Complete	Cleaning & painting sedimentation basin equipment, install new pre-sed and barscreen control valves, install emergency eyewash stations and sludge drying beds decant drain line.
	C2006-19	1/12/2006	CMX	Const. Mgt.	On-call List	\$8,720.00			
3200072	C2005-81V	9/6/2007	3D/International	Construction	JOC	\$819,371.50	STWTP Admin Building Expansion	Construction Complete	Approx. 600 sq.ft. addition to the existing plant administration building providing expanded locker, toilet and shower facilities and conference room.
	C2007-158	9/6/2007	Bosak CPM	Const. Mgt.	On-call List	\$47,897.58			
	C2005-244	11/3/2005	Dick & Fritsche Design	Design	On-call List	\$93,990.00			
3200073	C2005-800	11/6/2006	Foresite Design & Construction	Construction	JOC	\$96,771.45	STWTP Compressor Replacement	Construction Complete	Installation of concrete equipment pads and two new air compressors.
3200074	C2005-81U	8/8/2007	3D/International	Construction	JOC	\$20,481.00	STWTP Carbon Bagger	Construction Complete	Installation of new cartridge dust collector system for the powered activated carbon loading system.
3209351	C2008-251	10/22/2009	Hunter Contracting	Construction	JOC	\$476,296.86	STWTP Chlorine Generation System Expansion	Construction Complete	New 60-ton brine tank and installation of additional new liquid chlorine generating equipment
3203421	C2008-249	5/28/2009	Wilson Engineers	Design and Const. Mgt.	On-call List	\$72,835.00	STWTP Sedimentation Basin Grout Liner Replacement	Construction Complete	(Sundt GMP I below)
3203211	C2008-249	12/11/2008	Damon S. Williams	Study	On-call List	\$199,683.78	Disinfection By-Products Remediation Study	In Construction	Developed strategy for operational changes and new infrastructure to control the formation of disinfection by-products
	C2009-148	8/20/2009	Malcolm Pirnie	Design	Professional Services RFQ	\$3,765,298.00	STWTP Water Quality Improvements		(Sundt GMP II, GMP III below) and new environmental laboratory (future hard bid)
	C2010-77	5/5/2010	Wilson Engineers	Const. Mgt. Design Phase	Professional Services RFQ	\$216,188.00	STWTP Water Quality Improvements		(GMP I, II & III below)
	C2009-180	9/10/2009	Sundt Construction	CMAR Design Phase Services	CMAR RFQ	\$298,187.00	STWTP Water Quality Improvements	Construction Complete	Remove and replace grout bottom of primary and secondary sedimentation basins
	C2009-189	9/17/2009	Sundt Construction	Construction	CMAR RFQ	\$1,597,166.00	STWTP Water Quality Improvements <b>GMP I</b>		
	C2010-169	8/19/2010	Sundt Construction	Construction	CMAR RFQ	\$23,838,948.00	STWTP Water Quality Improvements <b>GMP II</b>	In Construction	Enhanced coagulation related improvements, expanded solids handling facilities, groundwater blending facilities, disinfection system improvements, replacement/repair of existing aging equipment, install new monitoring and control hardware and software
	C2010-170	8/19/2010	Wilson Engineers	Wilson Engineers	CMAR RFQ	\$1,502,510.00			
	C2010-215	10/21/2010	Sundt Construction	Construction	CMAR RFQ	\$7,464,535.00	STWTP Water Quality Improvements <b>GMP III</b>		
	C2010-216	10/21/2010	Wilson Engineers	Const. Mgt.	CMAR RFQ	\$413,010.00		In Construction	Repace existing finished water pumps, electrical and control equipment, install new raw water flow meters and construct new electrical buidling
C2011-04	1/13/2011	Malcolm Pirnie	Study/Staking/Misc.	Professional Services RFQ	\$187,779.00	STWTP Water Quality Improvements	Plant-wide constrol system programming services during construction		
C2009-148	7/7/2011	Malcolm Pirnie	Design - Addendum	Professional Services RFQ	\$129,421.00	STWTP Water Quality Improvements	Additional professional engineering services during construction GMP II & III
