

CITY OF TEMPE
REQUEST FOR COUNCIL ACTION

Council Meeting Date: 09/08/2016
Agenda Item: 5C6

ACTION: Adopt a resolution approving an addendum to the intergovernmental agreement between Tempe Elementary School District #3 and the City of Tempe for continued partnership at North Tempe Multi-Generational Center. (Resolution No. R2016.92)

FISCAL IMPACT: Per the addendum, the annual funding payment of \$122,750 is suspended. The school district will pay the City of Tempe \$12,000 to administer a contract for landscape maintenance at the North Tempe Multi-Generational Center.

RECOMMENDATION: Adopt Resolution No. R2016.92.

BACKGROUND INFORMATION: Construction improvements at Laird Elementary School reduced the need for Tempe Elementary School District #3 to utilize gymnasium space at the North Tempe Multigenerational Center. This one-year addendum will allow the school district to settle into the new campus and determine its future needs at the North Tempe Multigenerational Center. The City of Tempe and Tempe Elementary School District #3 will establish a new long-term agreement to continue their partnership with the North Tempe Multigenerational Center on the Laird Elementary School campus beginning with the 2017-18 school year. The ongoing payment is suspended for this contract, but Tempe Elementary School District will pay the City of Tempe \$12,000 to administer a third-party contract for landscape maintenance at the North Tempe Multigenerational Center. Prior to this agreement, the school district was maintaining the grounds of the North Tempe Multigenerational Center. We look forward to continuing a successful partnership with Tempe Elementary School District #3 to enhance and improve the quality of life for the residents.
