REQUEST FOR COUNCIL ACTION**

**Council Meeting Date: 09/22/2016
Agenda Item: 5B8**

ACTION: Approve the Amended and Restated contract for the Downtown Tempe Enhanced Services District between the City of Tempe and the Downtown Tempe Authority.

FISCAL IMPACT: N/A

RECOMMENDATION: Approve Amended and Restated Contract (C2004-31(C))

BACKGROUND INFORMATION: The Downtown Tempe Enhanced Services District was formed in 1993 and provides benefits including enhanced public safety programs, additional maintenance and clean-up of streets, alleyways, and public areas, as well as district promotion and marketing. The city contracts with the Downtown Tempe Community to manage the district and aid in the delivery of the enhanced services.

The contract has been amended several times since it was initially established in 1993. The most recent amendment was in 2008. The version of the contract being requested today is largely unchanged from past agreements. The changes that are included in this amendment are:

- § Further defining the maintenance obligations of the City of Tempe and the Downtown Tempe Authority (DTA) through a schedule of baseline and enhanced services; and
- § Adding language to authorize the City Manager or designee under a "Minor Amendments" section to sign other documents or amendments needed to carry out the purpose of the contract.
