BACKGROUND INFORMATION: (City of Tucson 141003) The City of Tucson solicited and awarded a National Intergovernmental Purchasing Alliance Company (National IPA) contract for a catalog-wide agreement for the purchase of a wide variety of tools, motors, lamps, industrial supplies, and maintenance, repair and operations materials. National IPA is a cooperative purchasing organization established through a collaborative effort of public agencies across the United States with the specific purpose of reducing procurement costs by leveraging group volume. All master agreements are publicly solicited, awarded, and held by a Principal Procurement Agency – in this case the City of Tucson.

The City of Tucson/National IPA contract provides catalog-wide discounts of not less than 10% while offering higher discounts on individual categories as specified in the contract. Additionally, the contract allows for the customization of a “market basket” of goods specific to the City of Tempe which allows for additional savings on frequently purchased items.
