
**CITY OF TEMPE
REQUEST FOR COUNCIL ACTION****Council Meeting Date: 11/03/2016
Agenda Item: 5B5**

ACTION: Approve the utilization of a nine-month Mohave Educational Services Cooperative contract with Netsian Technologies Group for data and telecommunications cabling, fiber optic installation and repair services in City buildings and streets.

FISCAL IMPACT: Total combined cost of this contract will not exceed \$150,000 during the nine-month contract period. Sufficient funds have been appropriated in General Fund cost center 1993 (Information Technology - Network Engineering) and other City-wide cost centers as needed for the anticipated expenditures.

RECOMMENDATION: Approve the utilization of the contract.

BACKGROUND INFORMATION: The Mohave Educational Services Cooperative competitively solicited and subsequently awarded contracts for cabling communications systems to Netsian Technologies Group. This contract is for the purchase of data and telecommunications cabling and fiber optic installation and repair services in City buildings and streets.

Pricing

By pooling the purchasing power of a larger group (participating counties, municipalities and schools) the Mohave Educational Services Cooperative was able to secure a favorable discount structure for materials and installation rates for utilizing agencies.
